We expect this schedule or similar to be repeated on the 1<sup>st</sup> week and 3<sup>rd</sup> week of every month through to April.

We will assess the schedule daily to ensure it is working and we will allow extra time and revisits as required.

Once a full cycle has been completed we will amend this schedule accordingly

During the first monthly cycle we will identify additional winter work on-sites for the December & January cycle.

**Spraying Requirements: We expect to be treating moss and weeds on all the sites on every visit through to April.**
